

# Replace up to 6 angle grinders with the LS90 SLAG GRINDER

**Yes, you read correctly. 1 person using the LS90 de-slugged as many blanks as 6 people with angle grinders!**

**For more information and a demonstration ring 0121 359 4322**

**Choice of 2 heads:**

*Horizontal belt for general purpose de-slugging, grinding and finishing.*

*Vertical belt for extra heavy duty de-slugging.*

*Model LS90 has a standard 800mm deep table and is available from 1500mm to 3000mm long.*
